American Time Use Survey Summary

The military history of the United States spans a period of over two centuries. During those years, the United States evolved from a new nation fighting Great Britain for independence (1775–1783), through the monumental American Civil War (1861–1865) and, after collaborating in triumph during World War II (1941–1945), to the world's sole remaining superpower from the late 20th century to ...

The First Barbary War (1801–1805), also known as the Tripolitanian War and the Barbary Coast War, was the first of two Barbary Wars, in which the United States and Sweden fought against the four North African states known collectively as the "Barbary States". Three of these were nominal provinces of the Ottoman Empire, but in practice autonomous: Tripoli, Algiers, and Tunis.
