Comprehensive Experimental Analyses of Automotive Attack

An auto mechanic (automotive technician in most of North America, car mechanic in British English, and motor mechanic in Australian English) is a mechanic with a variety of automobile makes or either in a specific area or in a specific make of automobile. In repairing cars, their main role is to diagnose the problem accurately and quickly. They often have to quote prices for their customers ...

Auto mechanic - Wikipedia

The National Institute for Automotive Service Excellence (ASE) is a professional certification group that certifies professionals and shops in the automotive repair and service industry in the United States and parts of Canada. It is an independent, non-profit organization created in 1972 in response to consumers needing to distinguish between potentially incompetent and competent automotive ...
