Coffee cake is cake intended to be eaten with, or flavored with, coffee. British coffee cake is a sponge flavoured with coffee. They are generally round and consist of two layers separated by coffee flavoured butter icing, which also covers the top of the cake. Walnuts are a common addition to coffee cakes. In the United States, coffee cake generally refers to a sweet cake intended to be eaten ...

The history of coffee dates back to the 15th century, and possibly earlier with a number of reports and legends surrounding its first use. The native (undomesticated) origin of coffee is thought to have been Ethiopia, with several mythical accounts but no solid evidence. The earliest substantiated evidence of either coffee drinking or knowledge of the coffee tree is from the early 15th century ...
