A business proposal is a written offer from a seller to a prospective buyer. Business proposals are often a key step in the complex sales process "i.e., whenever a buyer considers more than price in a purchase.. A proposal puts the buyer's requirements in a context that favors the seller's products and services, and educates the buyer about the capabilities of the seller in satisfying their ...

READING AND WRITING TOGETHER. Writing is not a skill that students learn separate from other processes. It combines many complex activities, including categorizing, building key terms and concepts for a subject, measuring one's reaction to a subject, making new connections, abstracting, figuring out significance, and developing arguments "to name a few.
