Meeting the Needs of All Students. Assessments help teachers and parents know if students are on the path to success. The Smarter Balanced assessment system provides accurate measures of achievement and growth while challenging students to think critically and solve real-world problems. A core principle of the Smarter Balanced system is accessibility for students who take the test.

Accessibility and Accommodations - Smarter Balanced

Processing. Successful reading and writing requires that a student is able to process several types of information. Some students may have difficulty with auditory, phonological, and/or language processing.
