In Pakistan, a medical school is more often referred to as a medical college. A medical college is affiliated
with a university as a department which usually has a separate campus. Currently, there are a total of 117
medical colleges in Pakistan, 59 of which are public and 58 private.

These are the books I read for the Civil Services Prelims exam. I've written this post keeping in mind an
absolute beginner aspirant who is starting from level zero. As you start your Prelims preparation and read
these books, please keep the following points in mind: Along with these books, get a printout of the syllabus
and read! Read More »
