Release notes documents software engineering release management. The smart release-notes-fo.vm template has several advantages over the basic Release Notes generated by Jira: it enables company branding (logos, colors), you can precisely specify what fields to include, you have full access to any piece of information inside and outside Jira, and you can include additional content like ...

Helping behavior refers to voluntary actions intended to help the others, with reward regarded or disregarded. It is a type of prosocial behavior (voluntary action intended to help or benefit another individual or group of individuals, such as sharing, comforting, rescuing and helping).. Altruism is distinguished from helping behavior. Altruism refers to prosocial behaviors that are carried ...
