Soft Power. This article will discuss the concept of soft power in international relations. It will define soft power, it will examine the forms and uses of soft power by states and non-state actors in international

relations, and particularly with relations to hard power, and it will examine soft power within the context of various actors in the international system.

### **Soft Power - International relations**

Setting boundaries is an important part of establishing one's identity, as well as being crucial for one's mental health and well-being. There are different types of boundaries, from physical boundaries to emotional boundaries, and there are also different levels of boundaries, from loose to rigid, with healthy boundaries falling somewhere in between.
