The iceberg theory (sometimes known as the "theory of omission") is a style of writing (turned colloquialism) coined by American writer Ernest Hemingway. As a young journalist, Hemingway had to focus his newspaper reports on immediate events, with very little context or interpretation. When he became a writer of short stories, he retained this minimalistic style, focusing on surface elements ...

A perfect game is the highest score possible in a game of bowling, achieved by rolling a strike during every frame. In bowling games that use 10 pins, such as ten-pin bowling, candlepin bowling, and duckpin bowling, the highest possible score is 300, achieved by bowling 12 strikes in a row in a traditional single game: one strike in each of the first nine frames, and three more in the tenth frame.

What is PDF/A?The PDF/A (or Portable Document Format Archival) is a format designed as a preservation format for digital records, particularly documents. The format, though, can also be used for scanned documents. It is an international standard and a subset of the PDF format. One of the great values of PDF formats is that they are open standards, used widely across the world,
