

services marketing 6th edition pdf

Services marketing is a specialised branch of marketing. Services marketing emerged as a separate field of study in the early 1980s, following the recognition that the unique characteristics of services required different strategies compared with the marketing of physical goods.. Services marketing typically refers to both business to consumer (B2C) and business-to-business (B2B) services, and ...

Introduction to Marketing and Market-Based Management

Marketing research is "the process or set of processes that links the producers, customers, and end users to
the marketer through information used to identify and define marketing opportunities and problems; generate,
refine, and evaluate marketing actions; monitor marketing performance; and improve understanding of
marketing as a process. Marketing research specifies the information required ...
