

soap and detergent manufacturers pdf

Soap is the term for a salt of a fatty acid or for a variety of cleansing and lubricating products produced from such a substance. Household uses for soaps include washing, bathing, and other types of housekeeping, where soaps act as surfactants, emulsifying oils to enable them to be carried away by water. In industry, they are used as thickeners, components of some lubricants, and precursors ...

Soap - Wikipedia

A soap opera is an ongoing drama serial on television or radio, featuring the lives of many characters and their emotional relationships. The term soap opera originated from radio dramas being sponsored by soap manufacturers.. BBC Radio's The Archers, first broadcast in 1950, is the world's longest-running radio soap opera; the world's longest-running television soap opera is Coronation ...
