

spiritual awakening the mystical pdf

A religious experience (sometimes known as a spiritual experience, sacred experience, or mystical experience) is a subjective experience which is interpreted within a religious framework. The concept originated in the 19th century, as a defense against the growing rationalism of Western society. William James popularised the concept.. Many religious and mystical traditions see religious ...

Religious experience - Wikipedia

The English term enlightenment is the western translation of the abstract noun bodhi, the knowledge or wisdom, or awakened intellect, of a Buddha. The verbal root budh-means "to awaken," and its literal meaning is closer to "awakening." Although its most common usage is in the context of Buddhism, the term buddhi is also used in other Indian philosophies and traditions.
