Excerpt: The Girl Who Married A Lion. A rich man like Mzizi, who had many cattle, would normally be expected to have many children. Unhappily, his wife, Pitipiti, was unable to produce children. She consulted many people about this, but although she spent much on charms and medicines that would bring children, she remained barren.

The assumption is that once a girl is married, she has become a woman – even if she is only 12. Equally, where a boy is made to marry, he is now a man and must put away childish things. While the age of marriage is generally on the rise, early marriage – marriage of children and ado-lescents below the age of 18 – is still wide-ly practised.

The Wedding Girl. Rupert and his American lover Allan were all part of her new, exciting life, and when Rupert suggested to her that she and Allan should get married, just so that Allan could stay in the country, Milly didn't hesitate, and to make it seem real she dressed up in cheap wedding finery and po.
