American Library Association

2 How Do We Develop Rationales? Teachers are frequently advised to have a written rationale for every book that they use. Realistically, this issue might be better addressed in a less absolute way by exploring four levels of rationale development.

How to Write a Rationale - NCTE

A library is a collection of sources of information and similar resources, made accessible to a defined community for reference or borrowing. It provides physical or digital access to material, and may be a physical building or room, or a virtual space, or both. A library's collection can include books, periodicals, newspapers, manuscripts, films, maps, prints, documents, microform, CDs ...
