A worksheet which involves pupils to write out and solve equations, using their knowledge of Volume, Perimeter and Area.

## Maths Algebra and Shapes worksheet by steele1989

In mathematics,  $E_8$  is any of several closely related exceptional simple Lie groups, linear algebraic groups or Lie algebras of dimension 248; the same notation is used for the corresponding root lattice, which has rank 8. The designation  $E_8$  comes from the Cartan's Killing classification of the complex simple Lie algebras, which fall into four infinite series labeled  $A_n$ ,  $B_n$ ,  $C_n$ ,  $D_n$ , and ...

The geometric algebra (GA) of a vector space is an algebra over a field, noted for its multiplication operation called the geometric product on a space of elements called multivectors, which is a superset of both the scalars and the vector space .Mathematically, a geometric algebra may be defined as the Clifford algebra of a vector space with a quadratic form.
